

Press Accreditation Hessen Tanzt (16.-18.05.2025)

Please send until 9th of May to pressesprecher@htv.de

Applications for accreditation received after this date can not be accepted!

Accreditation is only granted to press representatives with a verifiable press interest (e.g. in the form of an editorial assignment), press representatives of dancesport associations (e.g. national press spokespersons, but not club press officers), photographers who have rented a stand and support the event in this way and - in exceptional cases - bloggers / website operators who generate a demonstrable advertising effect for the event.

Other commercial photographers who take photos primarily to sell them to the dancers are welcome, but are asked to buy a regular ticket and work from the edge of the area (outside the band). Please complete a free photo/video registration form.
