

## Photo/Video-Registration „Hessen tanzt“ 2026

The Hessischer Tanzsportverband e.V. takes the protection of minors very seriously. We therefore ask that, particularly at events where underage dancers compete, anyone who does not exclusively photograph or film people from their own family or club environment should register with our press officer and provide contact details and information about where the images may be published. In return, the HTV will also be happy to publish links to where the images can be found later as part of the coverage.

Date	08.-10.05.2026
Event	Hessen tanzt 2026
First and last name	_____
Phone	_____

This photo/video registration is not an accreditation entitling the holder to free admission, but merely a form of registration intended to ensure that only persons with a legitimate, serious interest take photos or videos of the dancers.
